To the Daughters: . D 234

This Directory of the members of the Daughters of California Pioneers together with the names of their fathers, has been compiled by Mrs. Louise Marie Bartels, Recording Secretary.

Its object is that we may better know one another—and to keep fresh in our memory the names of our Fathers.

That we may more readily refer to a member as a daughter of a Pioneer, giving *his* name: thus keeping in mind the men who made our State and founded the Society of California Pioneers.

The Daughters' Club is different to other organizations as we are banded together solely by the names of our fathers, men who came to California with various aims and Pursuits.

I trust the Daughters will derive genuine pleasure in reading this book and that it will help us to know and visit one another and further cement the bonds of sincere friendship among the Daughters of California Pioneers.

Cordially,

(Mrs. Wm. A.) EVE JOSEPHI LIMBAUGH,
President
